Okay so just today Voice TO Skull kept saying Fuck YOU to me and telling me all negative Things this would be categorized as Dark Neural Linguistic Programming as Liminal Involuntary Psicontrol and Harassment ... ; They combine this with Remote Influencing, Remote Nural Monitoring, Remote Viewing to do all the Stalking, We know the Organized Stalking or Gang Stalking is ran by Sheriff's Departments, Freemasons, Federal Government, Neighborhood Watch, Law Enforcement for the Patriot Act. A post Two Thousand COINTELPRO FBI Program where citizens on patrol and Freemasonic Law Enforcement Stalk and Harass you and screw with you every day, Kyle Odom Manifesto states that, Martains Started God and Religion as a CULT, Martians Start all wars and conflicts for "mere entertainment" as written in The Kyle Odom Manifesto, this would also link in CIA Project MKULTRA with Uncle Sam's Snuff Factory, Katy Dylan Groves and Karly Noel Franz exposed all of that and then you have Gang Stalking or Organized Stalking aka another COINTELPRO to go with that, and then the Freemasons in Government Continue to Stalk and Harass you, you may have been told by a Ghost that Humans become Telepathic Ghosts when they die and not to tell anyone or expose Corruption in ADL, B'nai B'rith or Freemasonry as Freemasonry is also a part of Jewish B'nai B'rith, also to mention that those spirits who want to censor the Internet and Society in Accordance to The ADL, Zionism, Freemasonry, World Jewry, The Talmud, Torah, Zohar and other Globalist Books, those Freemason Ghosts who also participate in Gang Stalking aka Demons, may also be Freemasons themselves in The Afterlife, and it may also be the case that Martians Died, Became Freemasons and Telepathic Ghosts in The Afterlife and are actively part of The Talmudic INTL JEW Telepathic Network that pushes the Holocaust Hoax and Forced Brainwashing, Information Control, Press Control, and in order to do this Martains who became Ghosts in the Afterlife are now part of the Freemasonic Gang Stalking Telepathic Network, now more people know about this, that the holocaust is a Hoax, reason why is because you can be detained in Sixteen Countries for denying

it, that is what freemasons do not want you exposing, that is why freemasonry is mainly there to gang stalk anyone who exposes the holocaust as a Hoax, thus demonstrating laws in Sixteen Countries and how ridiculous it is for Freemasons to make a law protecting Holocaust Denial, by making laws against holocaust denial, the most irrational law, more irrational than drugs laws is laws against First Amendment ... ;

Now as of that, do not take all Ghosts in The Afterlife Seriously, because, Martians who died on Earth are also ghosts, are Freemasons, are Zionists, are habitual liars, are manipulators, are sexual deviants, and in general have a lot of problems and normal humans are just that normal, and when a normal human dies they become a normal ghost, when a martian dies, they become a Telepathic Freemason Gang Stalker just there to push the myth of the Holocaust when there are laws prohibiting in sixteen different countries and that should tell you something. ;

So freemasonic Gang Stalkers are Jewish Martians and Radical Communist Zionists who are a part of Organized Stalking and continue the program, There are Martian Ghosts and Human Ghosts, and the Martians are abnormal, let me demonstrate abnormal by show you The Kyle Odom Manifesto :

Again these Martians and Freemasons and Talmud Jews and Zionists all started Cult Religions, The God Myth, when Humans just become Ghosts when they die. Every president finds out that Martians are real. President Eisenhower warned us about them. President Kennedy stood up against them. They're the reason we have so many languages and so many nations. They

constantly pit nations against each other, which makes a lot of sense. If we are constantly at war with each other, we'll never make progress as a species. This is how they maintain complete and absolute control. Have you ever wondered why a war zone is also known as "A Theatre"? It's because war is entertainment! That's why. Entertainment for whom? The Martians! They enjoy watching conflict, they enjoy watching us suffer, and they enjoy watching death. It's one of their most basic needs. When you know about their brain, this makes perfect sense. They try to keep us in a constant state of fear by filling the news with horror stories. This is another one of their most basic control mechanisms. They constantly stir up controversy to keep us divided: Black lives matter, violence against police, Islam vs. Christianity, immigrants taking our jobs, Zika, etc. (Yes, they can create viruses) Some of the top officials in our government/military are their pawns. The Martian's rape them (sexually) and force them to do whatever else they want. Ask President Obama if you don't believe me. To Martians, humans are nothing more than a plaything.
